

Let's build a wholesale store

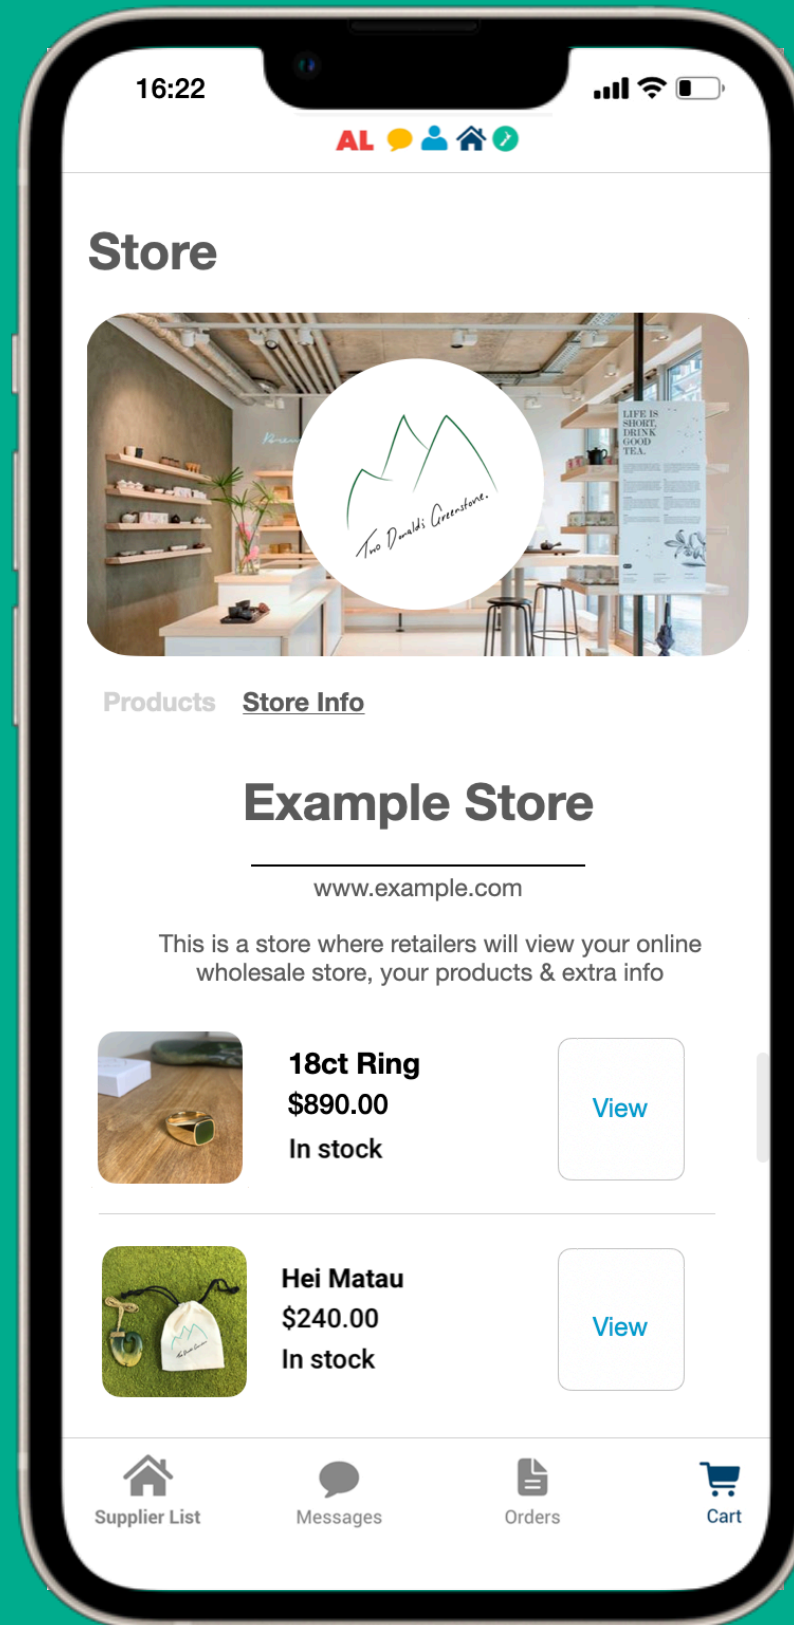

So retailers can buy your products

Why we're doing it

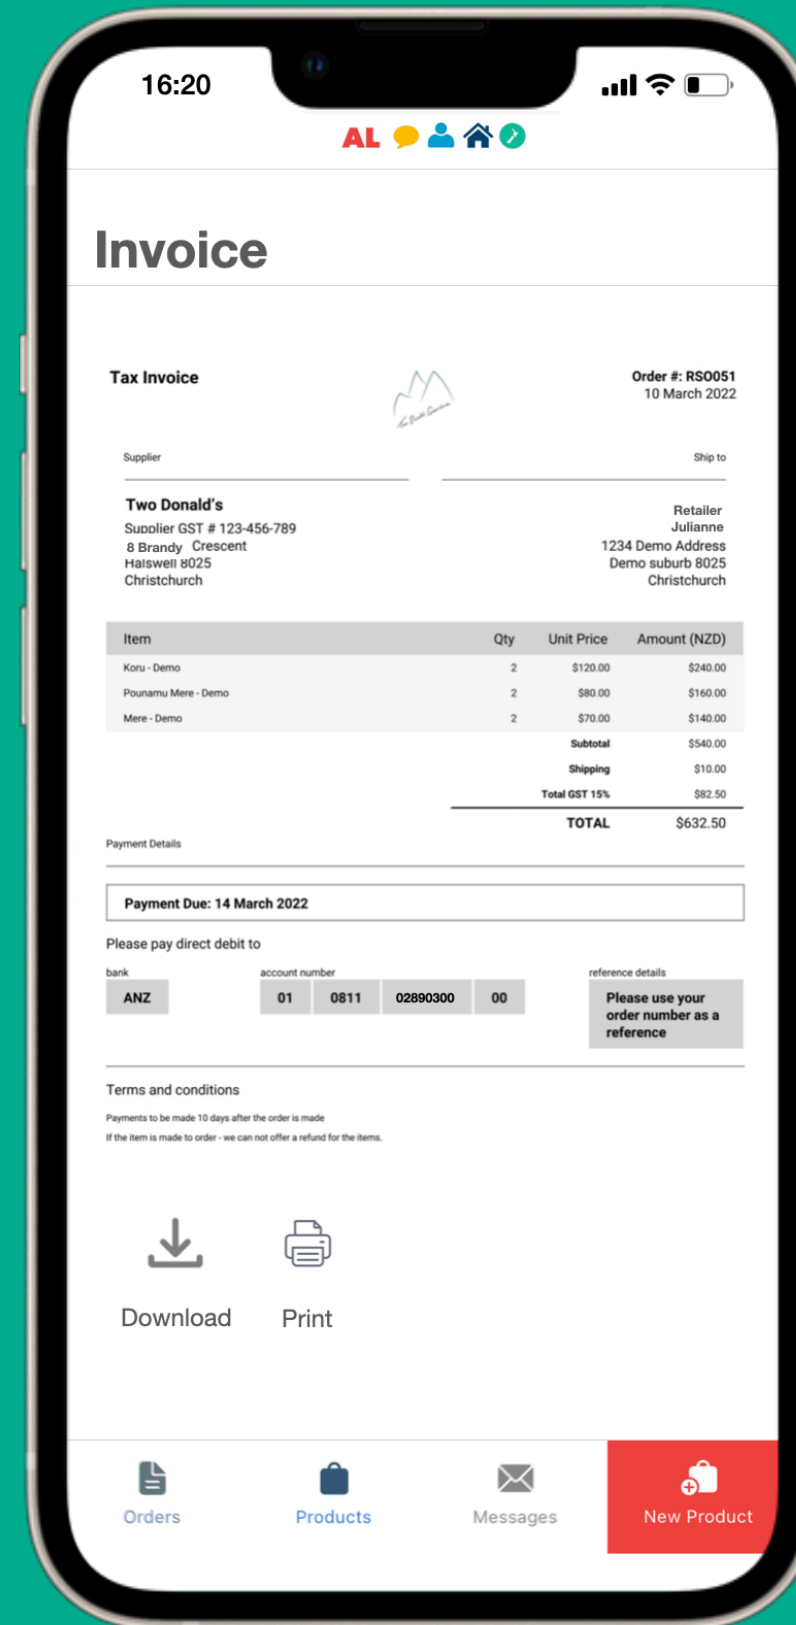

1. To simplify wholesale for Aotearoa based artists, designers and makers
2. Build a store in 15 minutes to 1 hour
3. Gain exposure to retailers nationwide
4. Increased revenue for artists
5. Streamline the buying process for retailers (online ordering instead of emailing)

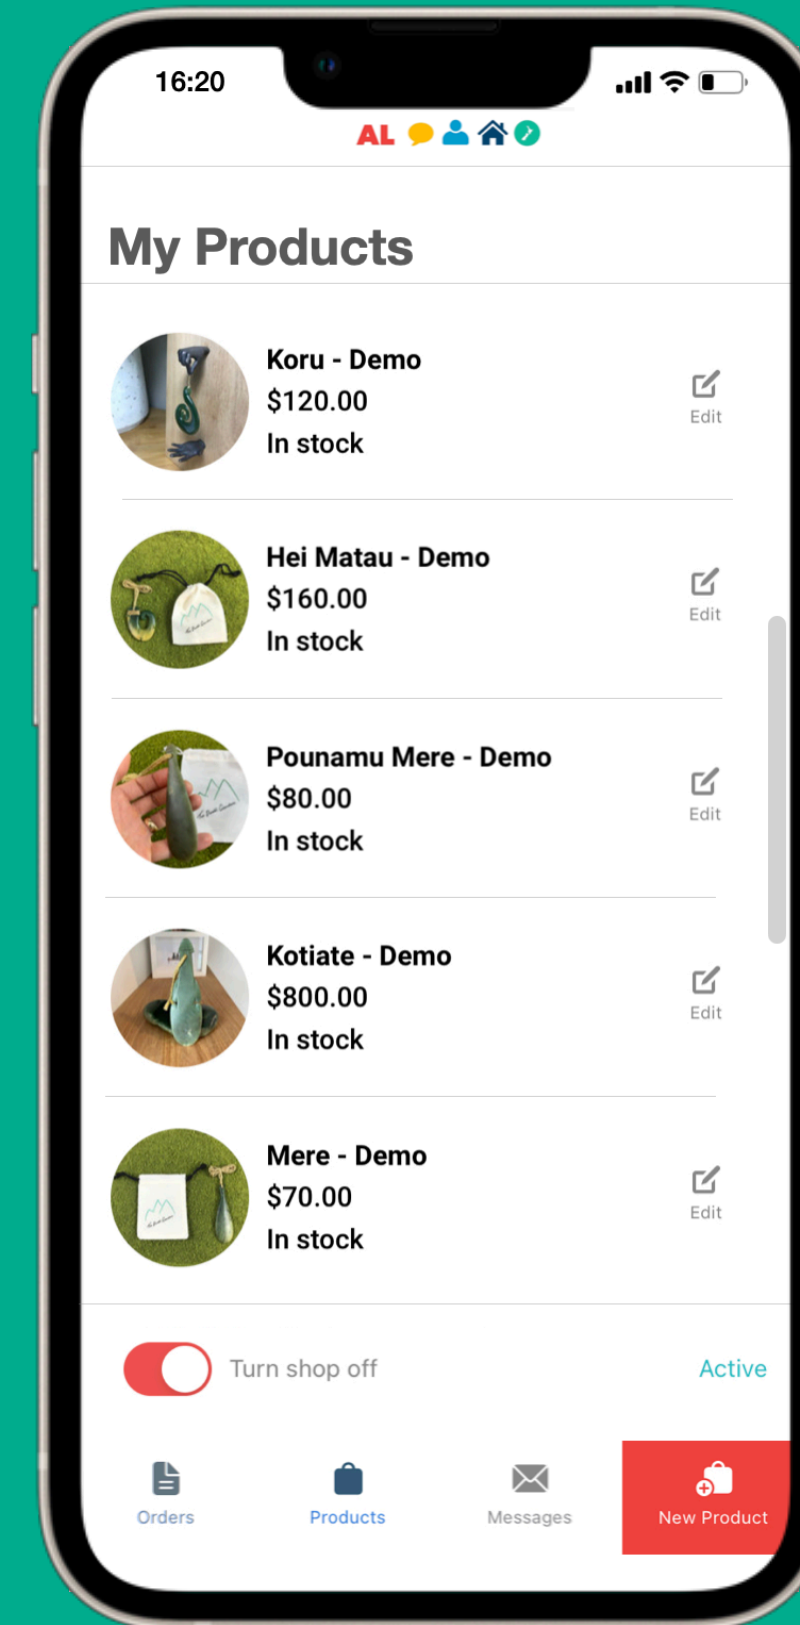

The workshop

1. Build your store

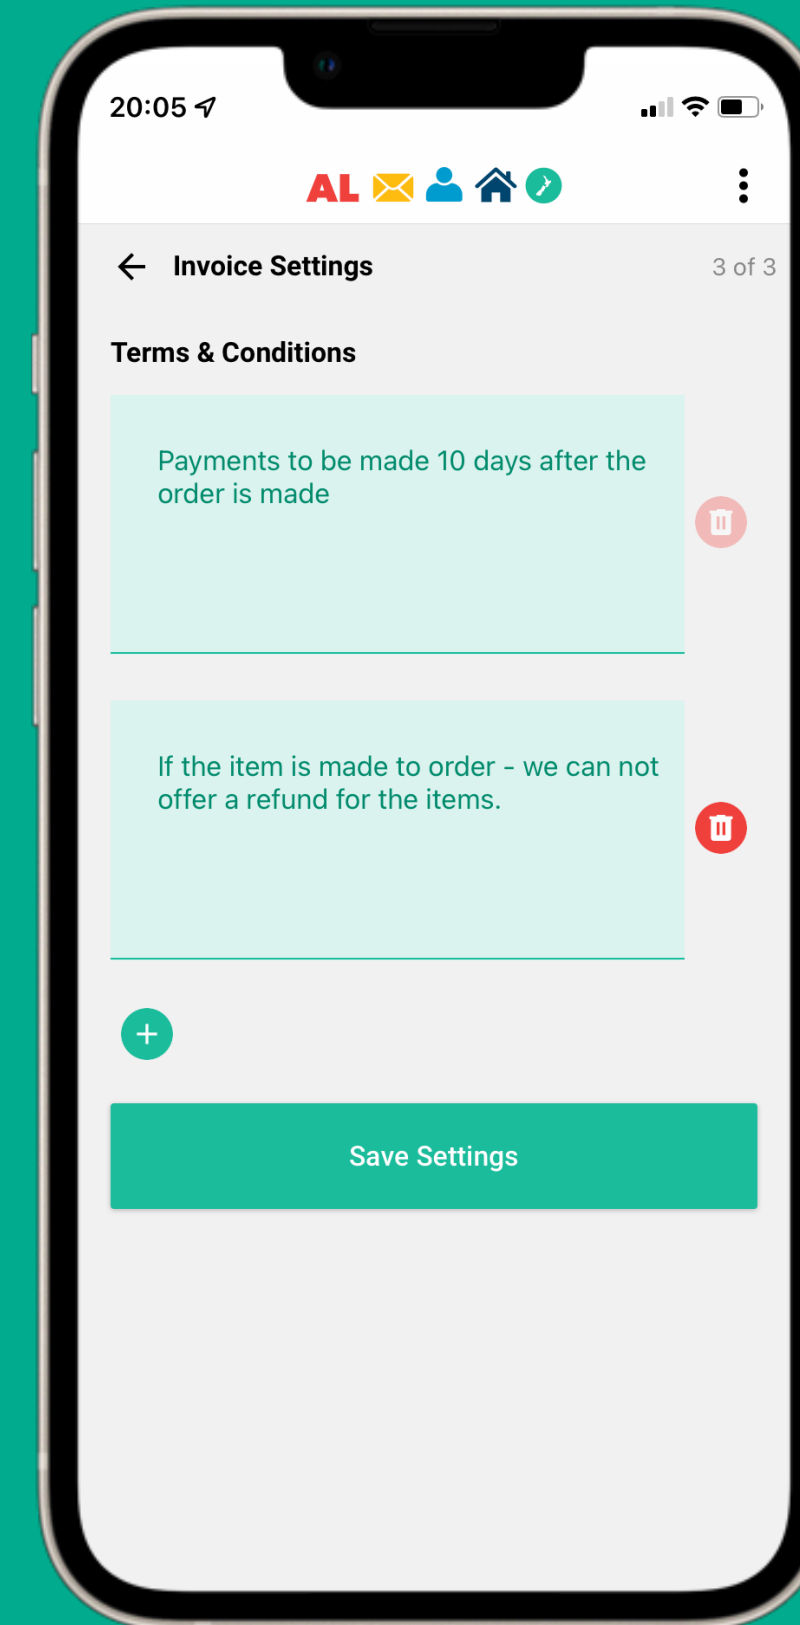

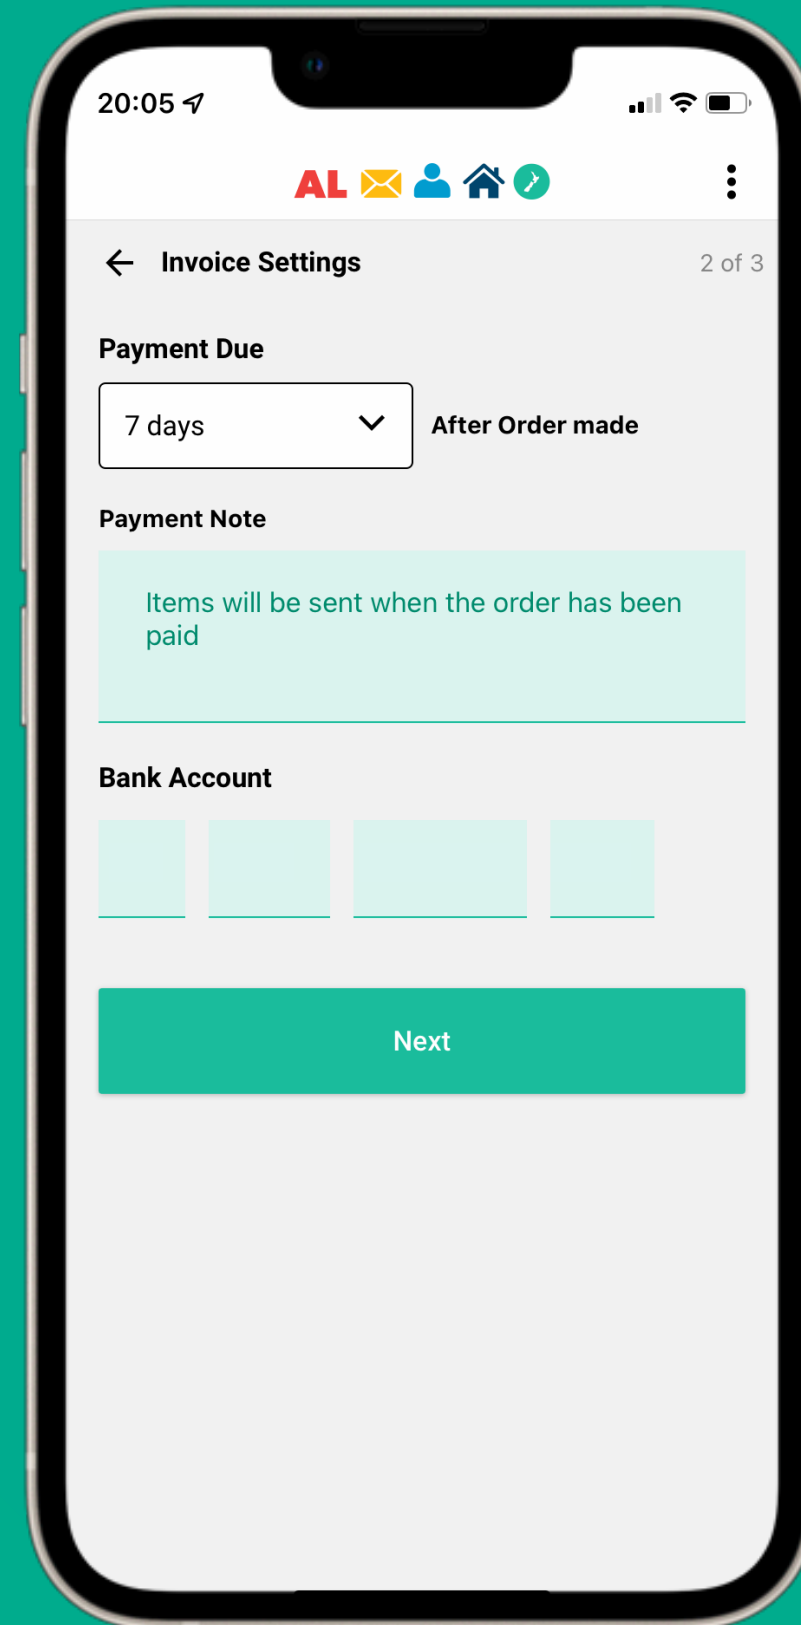

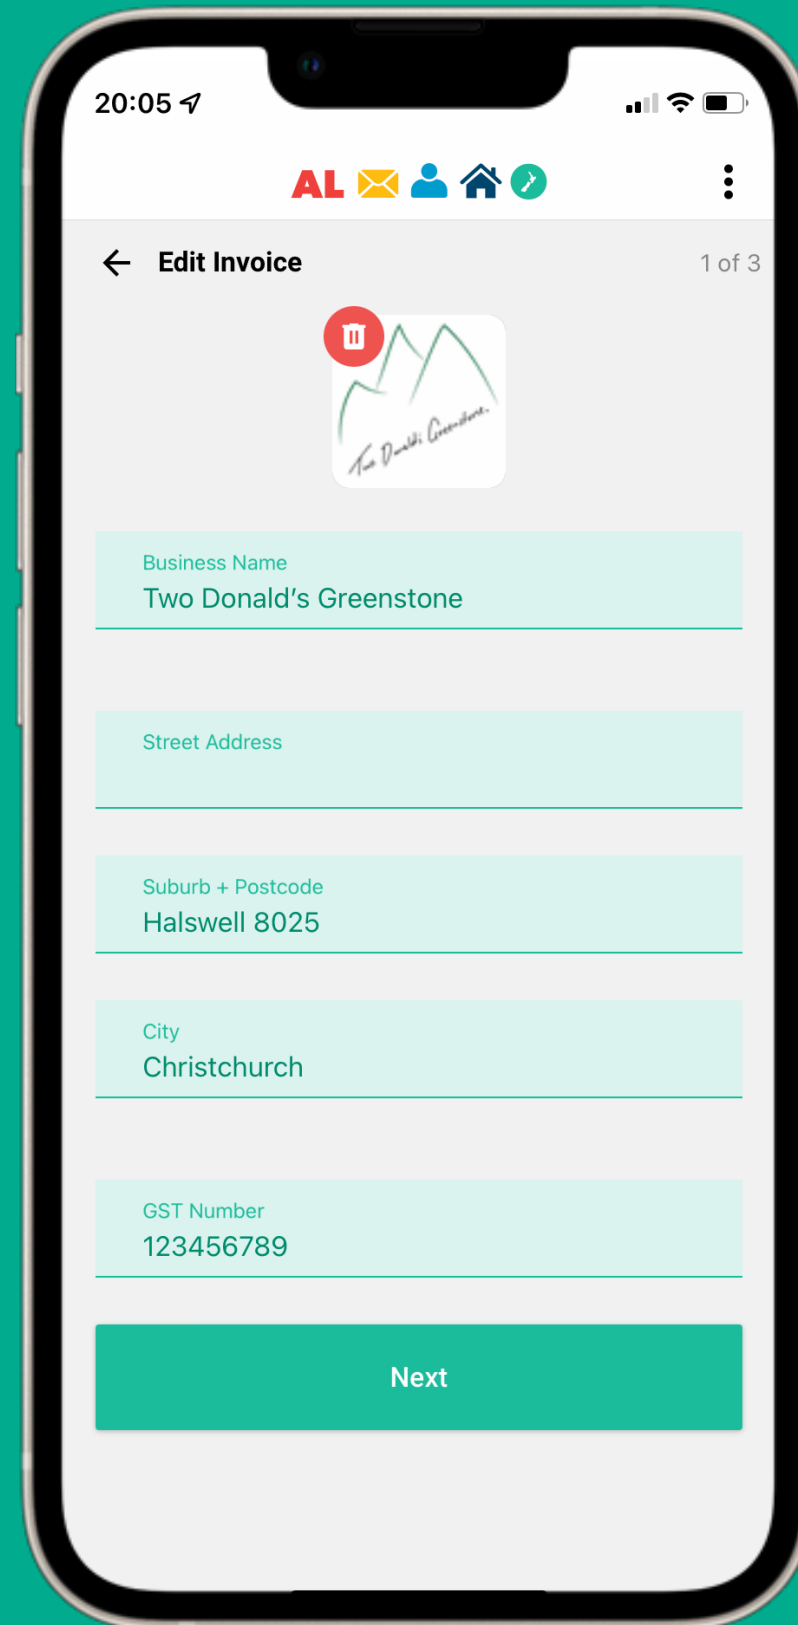

2. Build your invoice

3. Add a product

Step by step

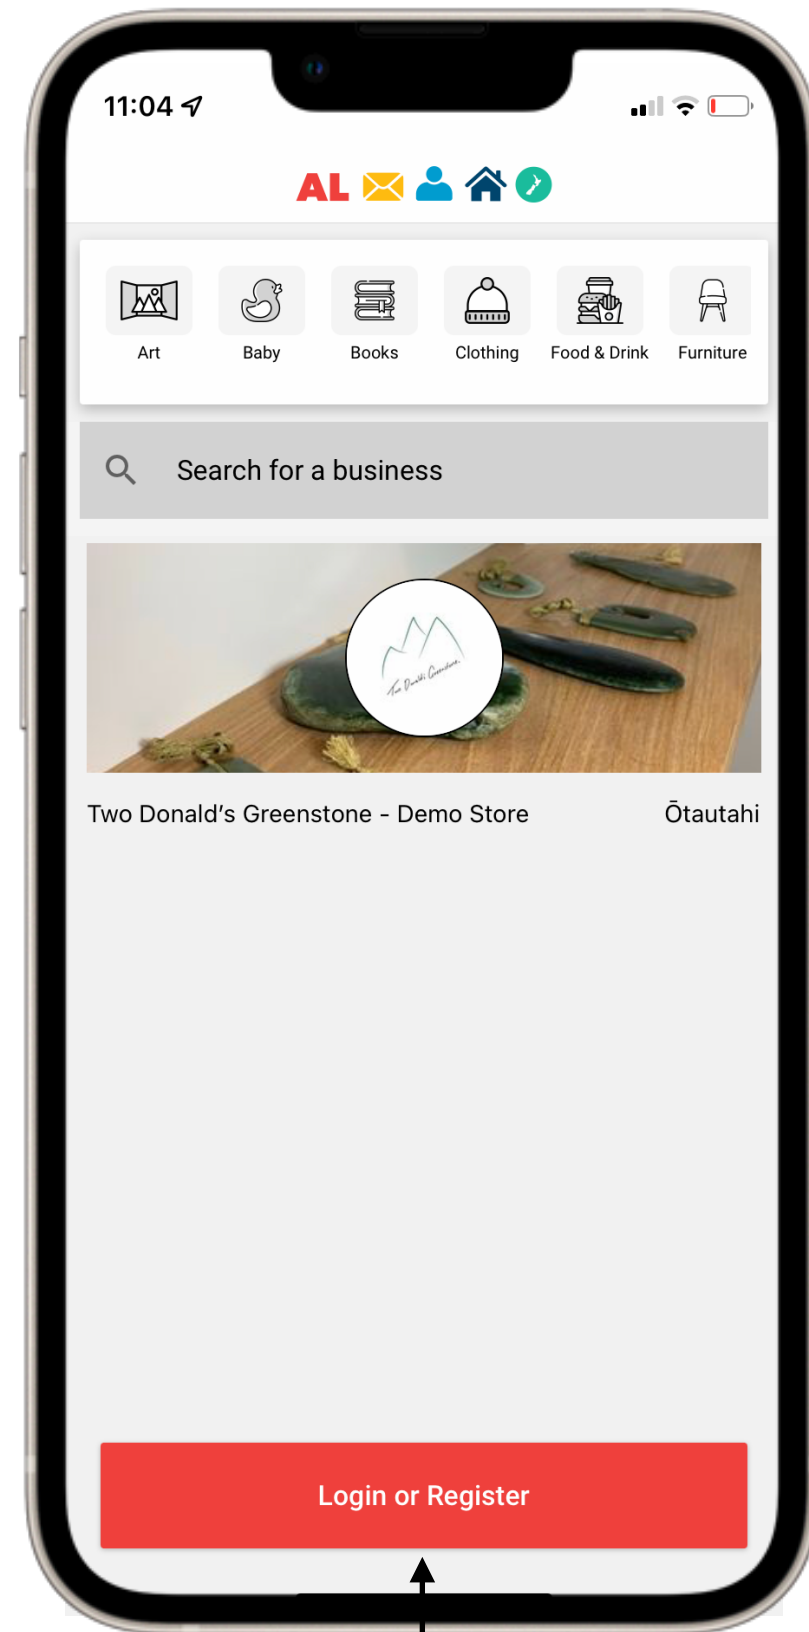

Download our App

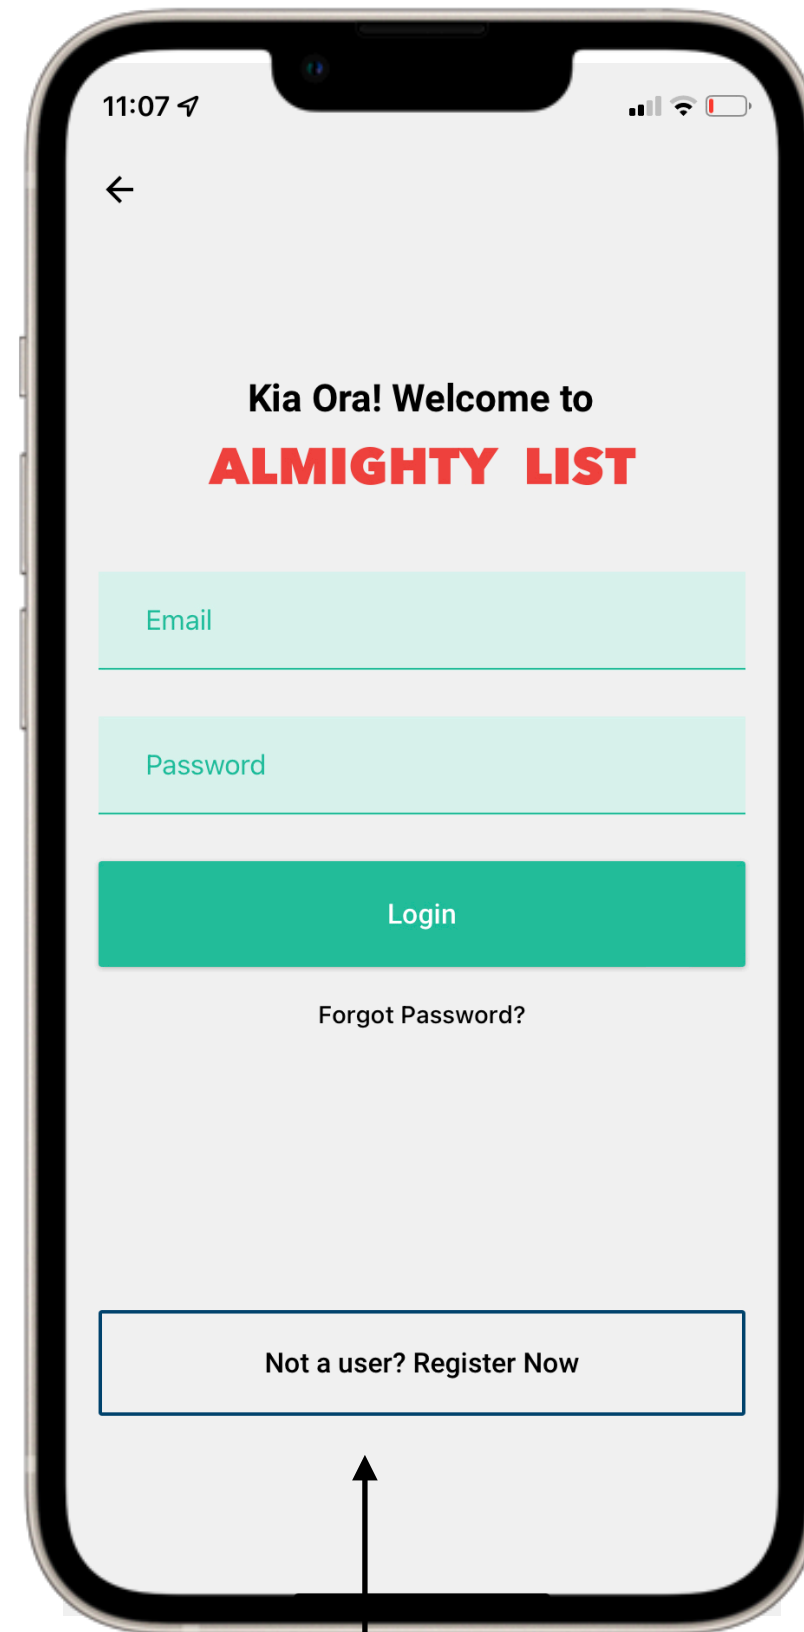

Step 1: Search **Almighty List** on **The App Store** or **Google Play**.

Step 2: Download the app

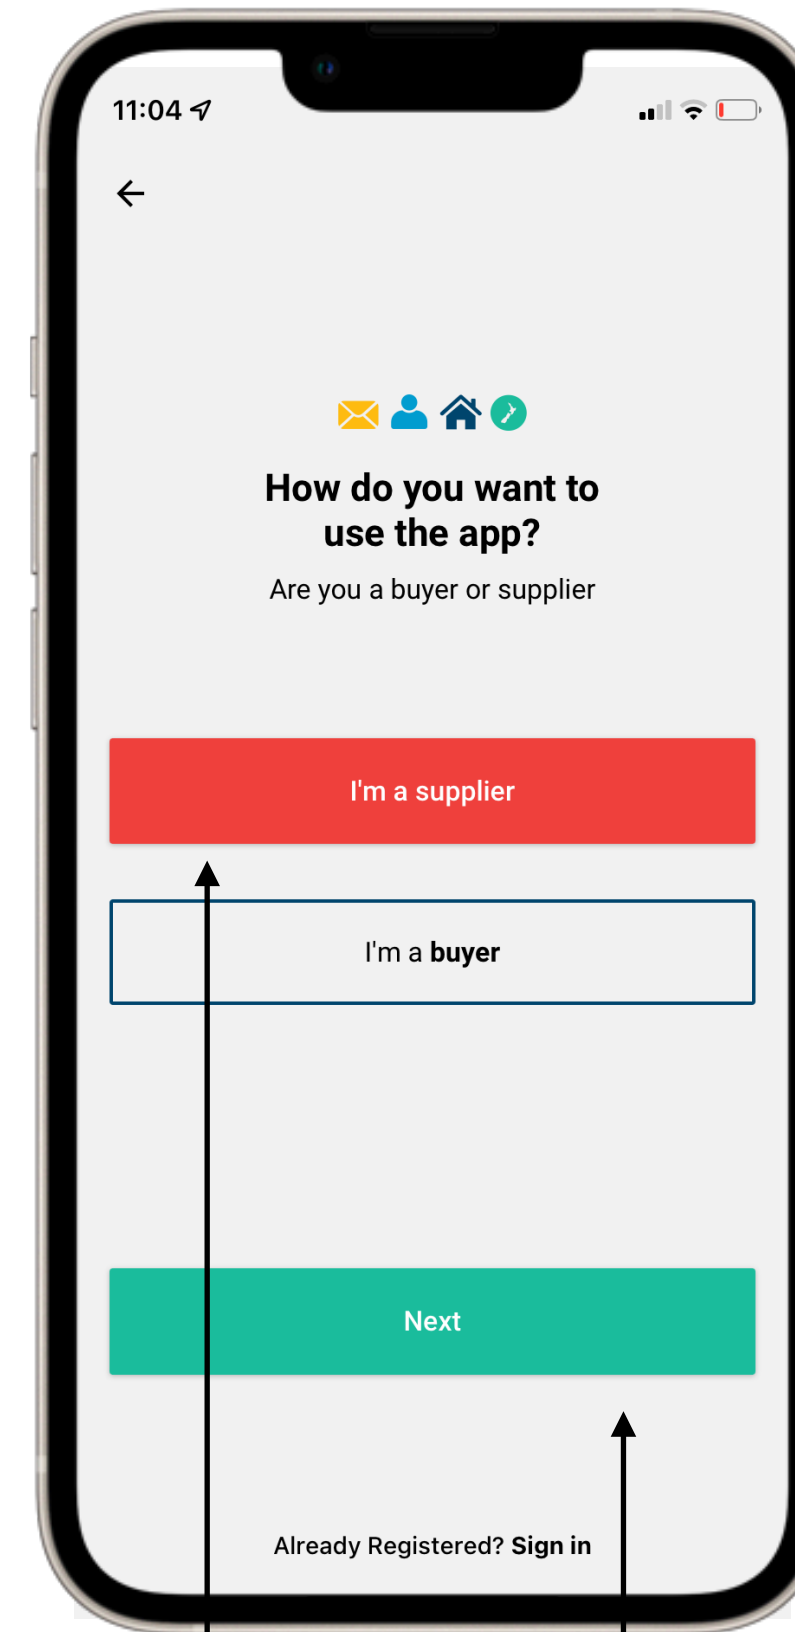

Register as a supplier
